**Join Us in Making
Democracy Work!**

Who Are We?

The League of Women Voters is strictly non-partisan; it neither supports nor opposes candidates for office at any level of government.

At the same time, the League works to influence policy through advocacy. It is the original grassroots citizen network, directed by consensus of its members at the local, state and national level. The 900 state and local Leagues comprise a vast citizen lobby corps that can be mobilized to improve our nation's government.

The organization remains true to its basic purpose: to make democracy work for all citizens.

The League of Women Voters makes a difference in the lives of citizens because of the energy and passion of thousands of members committed to our principles.
